A Message from the Chairman:

General Daniel S. "Chappie" James, a distinguished Kappa Brother and the first black 4-star General Officer in the United Air Force, once said, "The power of excellence is overwhelming. It is always in demand, and nobody cares about its color".

With recent headlines and hourly national news about the different strains on the coronavirus (COVID-19) pandemic virus, the entire world will have to make significant adjustments once again. We are forced to modify behaviors and once again try to figure out a new normal for conducting daily business. To the Beautillion Militaire class of 2022, do not let constant change derail your future aspirations. It is now time to show the power of your excellence. Will you be the one to develop the cure? Will you be the one to engineer the software or business solution needed to track and monitor future occurrences of this kind?

To the Hampton Rhodes community, the Brothers of Kappa Alpha Psi Fraternity, Inc., in conjunction with the Chesapeake Virginia Beach Achievement Foundation will continue its commitment of service in meeting the call to demonstrate excellence in the Hampton Roads community by mentoring young men through the Beautillion Militaire Program. To the Hampton Rhodes High School Principals and administrative staff, thank you for spreading the word. Your commitment to our program is a force multiplier to our successful outcomes, preparing the Next Generation of Leaders in every possible field of human endowers.

Chesapeake Virginia Beach Alumni Chapter of Kappa Alpha Psi Fraternity incorporated and the Chesapeake Virginia Beach Achievement Foundation will continue to offer young men leadership skills through seminars, which include: Career Workshops, Leadership and Fundraising for Scholarships, African-American Health Issues, Drug Abuse Awareness, Financial Management, and more. The program will continue to provide a forum to enhance one's social skills through group interaction, demonstration and role modeling under the guidance of positive professional mentors at structured seminars and during various cultural and social excursions.

Beautillion Class of 2022, go forward and demonstrate your wisdom, creativity, and Gifts.

Sincerely yours,

Elegear "EG" Primus

Dear Mr. Simmons:

On behalf of Chesapeake Public Schools, I extend congratulations to the group of young men recognized at the 21st Annual Beaulieu Militaire Leadership Training and Scholarship Program celebration. Undoubtedly this is an achievement of immeasurable significance, and they should be commended for their successful completion of this training while maintaining their academic requirements.

Every school division has those students that work diligently, excelling in and outside of the classroom. However, those students who accept multiple challenges and successfully meet those challenges are exceptional. Through their accomplishments, they honor their school, their family, and most importantly, themselves by embracing a commitment to achieving higher standards. The young men recognized by this leadership training will be remembered in the years to come for their accomplishment and dedication.

It is an honor to share in this year's celebration sponsored by the Chesapeake-Virginia Beach (VA) Alumni Chapter of Kappa Alpha Psi Fraternity, Inc. The City of Chesapeake and the Hampton Roads area are privileged to be home to these young men, entrusted with the task of encouraging and contributing to their journey. As they seek to improve themselves, their schools, and their communities, they are firmly focused on the "tomorrows" they can shape. Although I am unable to attend this event, please accept my sincere congratulations and best wishes for continued success as these individuals pursue future academic and personal goals.
